## *From the Commandant*

My friends and fellow Marines;

We're just getting back from the Department Convention. Looking at the summer months it seems as if there is no letting up.

I am going to schedule a meeting for May 16th. We don't usually meet in May due to the convention. April's meeting was cancelled due to weather. There are several things that have to be addressed; dates for the summers activities, parades, picnics conferences etc..... We'll have convention info.

There's new scholarship stuff, new ""DOG " stuff. There are agendas to go over and discuss. I doubt we'll have enough time to get through all of it before getting bored to death and begging (silently) to kill yourself.

The guest speaker gave the most motivational speech that has been given in a heck of a long time. No notes, just made you proud to be who we are.

Come on over to American Legion Post 193 at 1400.
